Dear Parent / Carer

This Handbook contains an explanation of the way schools in Northumberland are organised, the Schools' Admission policies and how to apply for your preferred school(s).

We include other information which will also be of use. The different school partnerships are explained as well as more general information.

More detailed information can be obtained from individual schools where they will explain the opportunities they can give. It is advisable to contact the individual schools you are interested in before submitting your application. I am sure they would welcome your interest.

A good education gives every young person the foundation for achieving the best of their potential. Northumberland County Council wants to see every child given the best possible chance by providing the very best opportunities in education across Northumberland.

Schools are part of their communities, and we encourage parents, and carers to be involved by becoming a Governor of the school, supporting the Headteacher and the staff team or by joining in with school activities.

All Northumberland Schools are inspected by Ofsted, the body that ensures that schools are educating and looking after children correctly. The reports are published and include their findings on how the school has performed in Teaching and Learning and its culture. It may be helpful to access the reports for the school's you are interested in either by contacting the school or via the website: www.ofsted.gov.uk.

Further useful information including an online version of this Handbook can be found on the Council's website: [School Admissions](#).

It is hoped that this Handbook provides all the information you need and has been designed to take you through the process without problems. If you have any queries or need further help to fill in the online application forms, then please contact the School Admissions Team on 01670 624889.

Children are our future, and we want their years at school to be enjoyable. We want them to be happy in an environment they feel safe in. We want them to grasp every opportunity and be able to make their own choices.

We can achieve this with your support. I hope you find this guide helpful in making the right choices for your children.

Best wishes,

Cllr. Guy Renner-Thompson,

Cabinet Member for Inspiring Young People

INTRODUCTION AND WELCOME

All parents whose children are due to start in a Reception class **must** complete an online application form, even if their child already attends a pre-school or nursery class attached to a school.

Choosing Your Child's School

One of the most important decisions you will make in your child's education will be deciding which school you would like your child to attend. Making that choice can involve a great deal of research and planning. The most important thing you can do before expressing your preferences is to find out as much information as possible about the school(s) you are interested in.

You do not have a right to choose which school your child will go to; you only have a right to express a preference. Our ability to meet your preference will depend upon not only the demand for places at an individual school but also on the number of places available.

Visit the School

One of the best ways to assess a school is by visiting it in person. You should make an appointment with the Headteacher if you wish to visit a school.

Consider the location of the school. When your child is older, will they be able to get to school alone?

A visit to a school does not constitute an offer of a place, nor does it give priority for places. Parents should not assume that a visit to a school constitutes any obligation on the part of the school or the Local Authority.

Obtain the school prospectus

Schools are required to publish an online prospectus. The prospectus can tell you more about a particular school than this Admissions Handbook. The Local Authority does not keep copies of individual school prospectuses; they can only be obtained from schools or school websites.

Check the performance tables

Every year the Department for Education (DfE) publishes Schools and Colleges Achievement and Attainment tables (formerly performance tables) for First and Primary, Middle, High and Secondary Schools. You can obtain a copy of a schools' performance tables by contacting the DfE on 0370 0002288 or on the DfE website at: <https://www.gov.uk/school-performance-tables>.

Research Ofsted reports

It may be helpful to read Ofsted reports which are produced by the Government's School Inspectors. A report is available for every school, and you can obtain copies from the school. However, it should be noted that not all Ofsted reports are current. They can also be found on the Ofsted website <https://reports.ofsted.gov.uk/>.

Admission Numbers

All schools have a Published Admission Number (PAN) largely based on the size of the school building and their capacity to accommodate pupils. Once an admission number has been set, the admissions authority must respect that number. Pupils should not be admitted above the Published Admission Numbers unless exceptional circumstances apply.

Useful Information

SECTION 2

TERM TIME HOLIDAYS

Headteachers have the discretion to grant leave, but they will only do this in exceptional circumstances. If a headteacher grants a leave request, it will be for them to determine the length of time that the child can be away from school. Leave is unlikely to be granted for the purposes of a family holiday.

It is an offence to take your child on holiday during term time without consent from the school. Parents will be fined.

School Holiday Dates

School holiday dates for 2026/2027 are on the Northumberland County Council website you can access the dates by following the link below:

<https://www.northumberland.gov.uk/Education/Schools/Holidays>

Teacher Training Days

As well as the School Holiday list schools are closed for a total of 5 Teacher Training Days per academic year. Your child's school will provide parents with details of their teacher training days. Details of the Teacher Training Days can also be found by following the link below on the Northumberland County Council website or by telephoning 01670 624889.

Teacher Training Days are **subject to change** and are updated on a regular basis, the most up to date version can be accessed on the Northumberland County Council Website by following the link below:

Admission Arrangements 2026/2027

SECTION 3

Admission Arrangements for 2026/27

Local authorities must have coordinated admission schemes. This means that you fill in a single online Application form instead of applying separately to lots of schools.

Full copies of the Co-ordinated Admission Scheme can be found on the Northumberland County Council website at [School Admissions Website](#).

If you live in Northumberland and wish to apply for a school outside of the County, you must complete the Northumberland Online Application Form. You will be informed via the Admissions Portal on **16 April 2026** to let you know whether your application has been successful.

If you live outside of Northumberland and wish to apply for a Northumberland School, you must complete a Common Application Form from your Home Local Authority. Your Home Local Authority will inform you on **16 April 2026**, whether your application has been successful.

The questions and answers in this section are designed to explain the process you must go through to apply for a place in a Northumberland school and to provide further information to enable you to express the best preferences possible for your child's education.

How are schools organised in Northumberland?

Some school partnerships in Northumberland are organised as First, Middle and High Schools, whilst other partnerships are organised as Primary and Secondary and some have a mixture of both.

First Schools are for children aged 4 to 9 (Reception and years 1 to 4) Middle

Schools are for pupils aged 9 to 13 (years 5 to 8)

High Schools are for pupils aged 13 to 18 (years 9 to 13)

Primary schools are for pupils aged 4 to 11 (Reception and years 1 to 6) Secondary schools are for pupils aged 11 to 18 (years 7 to 13)

Please see Section 6 for information about school organisation.

Bede Academy in Blyth is an 'all age' school taking children aged 3 – 18. Parents of pupils who enter the academy at aged 4 will not need to make any further applications for school places unless they wish to transfer out of an academy. Bede Academy also has an entry point at age 11 (Year 7).

All Northumberland High and Secondary Schools have sixth form provision for pupils who wish to continue studying beyond the age of 16. Whilst most pupils who have Special Educational Needs or an Education, Health and Care Plan (EHCP) are taught within the First, Primary, Middle, High and Secondary School system, some attend Special Schools or units. There are 8 Special Schools in Northumberland (see page 128).

What are school partnerships?

Each school partnership is made up of one High or Secondary School, its feeder Middle Schools where appropriate and their feeder First or Primary Schools. The teachers in each partnership work closely together and share information about pupils' progress and needs, and also plan joint activities.

What is meant by the school's catchment area?

The catchment area is the defined geographical area from which a school will expect to take in children. Most Northumberland schools have a catchment area. You should check whether you live in the catchment area for your preferred school before applying. The School Admissions Team can advise you on the appropriate catchment area school for your postcode.

Catchment maps are also available online and can be accessed through the Northumberland County Council Website: [School Catchment & Transport Eligibility Maps](#). Alternatively these can be obtained by contacting the School Admissions team.

Where can I find out about the schools in my area?

Within this handbook there are the addresses and telephone numbers of all schools in Northumberland. You can see all the schools together with the schools they feed into in Section 6.

Section 6 also provides the following information about each school:

- Whether the school has a nursery class.
- The relevant Admission Authority.
- The Published Admission Number (PAN) for the school.
- Schools to which children are expected to transfer to or from.
- The number of pupils admitted in the previous September.
- Other information that you may find useful.

How do I apply for a school place for my child?

You must apply to the Local Authority area in which you live. Each local authority has its own Common Application Form which you will need to complete even if you are applying for a school outside your Local Authority area. Only apply on a Northumberland County Council online application form if you live in Northumberland.

The admissions portal for online applications opens on **1 November 2025**:

https://schadm.northumberland.gov.uk/CitizenPortal_LIVE/en

You should complete an application setting out the schools you would prefer your child to attend. You can express preferences for up to 4 schools. You need to set out the reasons for your preferences, using the criteria for prioritising applications: ***stating a preference is not making a choice, places are allocated according to equal preference.***

The criteria for Community and Voluntary Controlled Schools are set out in Section 4 of this handbook. The oversubscription criteria for each Church Aided School, Foundation School, Trust School and Academies are set out in the section 5 of this handbook.

If you are applying to a Church Aided School or Academy you may be asked to complete a supplementary form. This form can only be obtained from the school you wish to attend. You should check with the school to see if a supplementary form is needed.

Parents applying for more than one school are also asked to rank these in order of preference. Sometimes not all school preferences can be met because there may be more applications than places available at schools.

The full admissions policy for Community and Voluntary Controlled Schools can be found on the Northumberland County Council website at [School Admissions Website](#).

Admissions criteria for Voluntary Aided, Foundation and Trust Schools and Academies can be found in Section 5 of this handbook. Full copies of the admission arrangements for these schools can be obtained from the school. You should list as many preferences as you are able to (up to four) and one of these should be your catchment school.

Why are Looked After Children and former Looked After Children given high priority?

The Government directs Local Authorities to give priority to children who are or who have ever been in the care of a Local Authority. There is also an expectation that when a child in care has to move within the school year, he or she is placed in a new school within 20 days of moving. If your child falls into this priority group you should ensure that the school admissions team is aware of this on application.

What happens if my child has an Education, Health and Care Plan (EHCP)?

When a school is named on a child's Education, Health and Care Plan (EHCP) a place must be given to this child before any other places are allocated. However, this can only happen if it is known before the allocation process begins.

However, if your child has an EHCP and you are unsuccessful in gaining a place at your preferred school, you may appeal to the SEN Panel. Parents of children with an EHCP cannot appeal to the Admissions Appeal Panel.

What do I need to provide if I think that I qualify under the social/ medical criterion?

If you think that you or your child matches this criterion for admission to a specific school then you must provide strong evidence to support your case.

Your evidence must be provided by a professional body involved with the family or the child. The professional must be independent of both the family and the school and the evidence must relate specifically to the school for which the application is being made and must demonstrate clearly why it is the only school that can meet the child's needs.

You should not assume that your submission of the relevant evidence will be sufficient to allocate a place.

Evidence that is not provided by the closing date for applications or at an appeal will not be considered later and will not alter your place on the waiting list for the school.

How are admissions to schools decided?

All applications are matched to an oversubscription criterion within the relevant admissions policy. Most Northumberland schools are County Council maintained schools but voluntary aided schools, trust schools, free schools and academies set their own admission arrangements with their own oversubscription criteria. Individual school admission arrangements can vary significantly to those of the Local Authority and so parents should read them carefully before applying for a place. Within each criterion every applicant is ranked according to home to school distance. Using each criterion sequentially places are offered until the year group is full.

You should not make four preferences for the **same** school. There is a high risk that you will be unable to obtain a place in a school near to your home, or in the case of out of county families you could be offered no school place at all.

You cannot assume that you will be offered your first preference school; in a few cases parents may find that none of their preferences can be offered.

You should list as many preferences as you are able (up to four) and one of these should be your catchment school.

What is equal preference? How does it work?

The statutory 'Equal Preference System' is used to allocate school places. This means that:

- All preferences are initially looked at individually regardless of the order in which they have been ranked.
- The order that preferences have been ranked becomes important when it is possible to allocate a place for a child at more than one preferred school.
- In this instance a place will be offered at the available school you have ranked the highest.
- It is possible that applicant (A) who ranked a school as a lower preference, could be allocated a place ahead of other applicants who ranked the same school as a preference, if s/he (A) meets one of the higher oversubscription criteria.
- Where the child is not allocated a place at any of their preferred schools and is resident within another Local Authority, Northumberland Local Authority has no duty to allocate a place in another Northumberland school.
- Where the child is not allocated a place at any of the preferred schools and is resident in Northumberland, you will be offered a place at the nearest school with a place available.

Which address will be used in determining my child's priority for admission?

The address of the parent with whom the child normally lives will be used in the allocation process. It is not possible to use an alternative address such as the address of the grandparents or a child minder.

In some cases, for example where shared parental living arrangements are in place, a child's address may be difficult to determine. In these circumstances the address used for child benefit purposes will normally be used, i.e., the address of the parent claiming the benefit. If that is not available, then the address on the NHS medical card can be used.

Unfortunately, a small number of parents each year try to secure a place for their child by either providing false information or withholding relevant information on residency or planned residency.

In the case of oversubscribed schools all successful applicants may be asked to produce proof of residency, to willingly provide false information is fraud.

If a place is obtained on the basis of false information, such as an incorrect address, it will be withdrawn.

What are the arrangements for forces families moving into Northumberland?

The School Admissions Code 2021 allows admission authorities to make special arrangements for returning families as long as they are posted to Northumberland and the posting is supported by an official letter that declares a relocation date and a Unit postal address or quartering area address.

Where a forces family is moving into Northumberland of their own volition the normal admission arrangements apply.

If I don't name my catchment school, will a place be kept for my child anyway?

If your catchment school is oversubscribed, places will be allocated to those who have applied for it. If you do not name the catchment area school on your application form, we cannot guarantee a place will be available should you be unsuccessful in obtaining a place at the other schools for which you have expressed a preference. In addition, it may have implications on your child's eligibility for school transport.

At what age can my child start school?

Admission is once a year on a full-time basis in September if the child is four by **31 August 2026**.

When is a child required to start school?

The School Admissions Code 2021 requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children this is almost a full school year after the point at which they could first be admitted.

Deferred Entry

What flexibility is there for parents who don't feel their child is ready to start school in the September following their fourth birthday?

Some parents may feel their child is not ready to start school in the September following their fourth birthday. You can decide that your child attends part-time until he/she reaches compulsory school age, or that the date your child is admitted to school is deferred until later in the same academic year. Your child must be in full time education in the term after their fifth birthday. If are considering deferring entry, please complete and return the form by **31 December 2025. This ensures children that have turned five are not missing from education.**

If I want to send my summer born child to school in the September after his/her fifth birthday, and I request that he/she enters the reception class, who is responsible for making this decision?

Parents are responsible for delaying entry of their summer born child until the following year. However, entry into Reception is not guaranteed and your child may be required to enter his/her chronological year group e.g., Yr1: this decision is made by the admissions authority of the school.

If my child has a place in a pre-school setting linked to a first school or a primary school, will I get a guaranteed place in the Reception class of that school.

No, you will need to apply for a school place in the reception class. Places will be allocated according to the school admissions policy for that school. You cannot be guaranteed a place.

What factors might an admission authority take into account when considering a parental request for a summer born child to be admitted to a reception class in the September following their fifth birthday?

Some of the factors to consider include:

- the needs of the child and the possible impact on them of entering year 1 without having first attended the reception class;
- in the case of children born prematurely, the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth;
- whether delayed social, emotional or physical development is adversely affecting their readiness for school;
- you may not be able to keep your child's place in his/her current pre-school setting for another

year.

I have been told that it is not lawful for a child to be admitted outside of their normal year group. Is this correct?

The law does not prescribe the year group a child should be admitted to. There is no statutory barrier to children being educated outside their normal year group. The law does not prescribe the year group a child should be admitted to. You may apply for a year group outside of the normal year group, but a school may refuse to accept your child. You may only appeal this decision if the school cannot offer a place in the normal year group.

If I want my summer born child to be admitted to the reception class in the September following the fifth birthday, how do I go about arranging this?

You should discuss this as soon as possible with the schools you are interested in applying for and the local authority. You need to make it clear that you wish to apply for a reception place a year later than the year into which your child could have been admitted. Summer born guidance is available as an appendix to this document on the NCC website [School Admissions Website](#).

What should a parent do if they are unhappy with an admission authority's decision about which year group their child will be admitted to?

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. You do not have a right of appeal if you have been offered a place but it is not in the year group you would like. For example, you are offered a Year 1 place, but you would like a Reception place. However, you may make a complaint. All schools have a duty to consider complaints about the school and must have a published complaints procedure in place. Local authorities will also have a complaints procedure.

In the case of foundation and voluntary aided schools, academies and free schools, parents should make a complaint under the school's complaints procedure – because the governing body or academy trust is the admission authority. In the case of community and voluntary controlled schools, they should complain to the local authority – because they are the admission authority.

There are further routes of redress available to parents who are not happy with the way their complaint to the school or local authority has been handled. Please see the additional information provided at the end of this document.

If a child is educated outside of their normal age group whilst in primary school, what happens when they move to secondary school?

It will be for the admission authority of the secondary school to decide whether to admit the child out of their normal age group. Admission authorities must make decisions on the basis of the circumstances of each case and will need to bear in mind the year group the child has been educated with up to that point.

If a child is educated out of their normal age group, when would they take their national curriculum tests (SATs)?

Children are assessed when they reach the end of each key stage, not when they reach a particular age so they will not miss out on taking important examinations.

Where do I apply for admission to a First School or a Primary School?

Parents of children currently in Northumberland nurseries should receive information from the setting explaining that an application needs to be made.

Telephone enquiries should be made on 01670 624889.

For online applications:

http://schadm.northumberland.gov.uk/CitizenPortal_LIVE/en

What if I want my child to go to a school outside Northumberland?

You must complete a Northumberland Online Application Form naming your out of county school and return it to the School Admissions Team, Wellbeing and Community Health Services Group, County Hall, Morpeth, NE61 2EF. We will then co-ordinate your application with the appropriate authority and let you know if they are able to offer your child a place.

I live outside Northumberland. Which form should I complete, where do I send it and who will tell me if the application has been successful?

You should complete a form for the Local Authority area you live in.

Your Local Authority will then give us a list of all children in their area applying for Northumberland schools. Your child's application will be on this list along with any others. We will let your Home Local Authority know whether we can offer your child a place. **Your Home Local Authority will write to you on Offers Day (16 April 2026)** to let you know if your application has been successful.

What is the closing date for applications?

The closing date for applications is **15 January 2026**.

If you return your application after **15 January 2026** your application will be classed as Late unless exceptional circumstances exist. The Local Authority will consider your reasons, provided they are received before **14 February 2026**. If the LA considers your reasons are exceptional, your application will be considered along with those received on time. Examples of what may be considered as exceptional circumstances are a family who have just moved into the area (proof of ownership or tenancy agreement will be required). If your reasons are not exceptional, then your application will not be processed until after **16 April 2026**. You should be aware that this will reduce your chance at gaining a place at the school you want.

What if my application is for another year group?

Applications to other year groups in all First and Primary schools will be dealt with during the summer term.

What do I do if I feel I have exceptional grounds for a late application or change of preference?

If you feel that there are exceptional reasons for this, please contact the School Admissions Team on **01670 624889**.

What do I do if I move house after I have submitted my application?

You will need to provide proof of purchase or residency before your child's record can be changed.

If my application is considered as a late application, what will happen?

If your application is late and is not considered as exceptional, you will not be offered a place on **16 April 2026**. This will be the case even if you live in the catchment area for the school. If you are a Northumberland resident, you will get an offer on **29 May 2026**.

When will decisions be made?

You will be notified of the offer of a school place on **16 April 2026** by email, or online.

Please do not contact the School Admissions team before 16 April 2026 regarding your allocation as they will be unable to give you an answer.

If I apply for more than one school, will I be offered a place at each one?

You can apply for up to 4 schools, but we will only offer a place at one of these schools. When it is possible to offer a place at more than one school, we will offer the school you have ranked highest. This is why we ask that you place the school you would most want your child to attend as number one.

My child has been offered a place at a school. What happens next?

All offers are deemed as accepted and the school will then contact you to let you know details of any planned visits and/or parents information meetings. If you wish to decline the offer, then please contact school admissions.

What can I do if my child does not get a place at the school, I would like him/her to attend, can I appeal?

Parents have the right to appeal. Admission appeals are heard by an independent panel, which will decide whether the effect of admitting additional pupils to a full year group is outweighed by the effect on the individual child of not being admitted into the school.

An Appeal Panel cannot change the admissions policy or oversubscription criteria, nor can it consider questions over the way in which the County Council organises its schools or the way the school organises its classes.

The Panel is convened at the request of parents to consider the merits of their individual cases and its decision is binding on the school and the Admission Authority.

Appeals to First and Primary Schools may be subject to ‘**Infant Class Size Legislation**’. Such appeals are difficult to win – refer to the paragraph below.

If your child has an Education, Health, and Care Plan (EHCP) and you are unsuccessful in gaining a place at your preferred school, it is the SEN Tribunal that hears the appeal. Parents of children with an EHCP cannot appeal to the Admissions Appeal Panel.

Full details of appeal arrangements are available on the Council’s website. Following an unsuccessful appeal, the County Council will only consider a re-application for the same school during the same academic year when it is clear there has been a significant change in the circumstances of the case. Appeals must be lodged within 25 school days of receipt of the refusal letter.

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

What does Infant Class Size Legislation mean?

Section 1 of the School Standards and Framework Act 1998 limits the size of an infant class (i.e., a class in which the majority of children will reach the age of 5, 6 or 7 during the school year) to 30 pupils with a single schoolteacher.

This means that appeal panels can only uphold appeals in very limited circumstances.

Where a child has been refused admission to a school on infant class size prejudice grounds, an appeal panel must consider the following matters:

- a) whether the admission of an additional child/children would breach the infant class size limit.
- b) whether the admission arrangements (including the coordinated admission arrangements) complied with the mandatory requirements of the School Admissions Code 2021 and Part 3 of the School Standards and Framework Act 1998.
- c) whether the admission arrangements had been correctly and impartially applied in the case in question; and
- d) whether the decision to refuse admission was one which a reasonable admission authority would have made in the circumstances of the case.

It is very difficult to win an appeal if your refusal is based upon ‘Infant Class Size Legislation’.

Can my child’s name go on a waiting list?

If you are refused a place in a school your child's name will be placed automatically on a waiting list. If a place becomes available, it will be allocated using the oversubscription criteria. It is possible for your place on a waiting list to change when new requests for places are received.

Some Voluntary Aided schools, Trust schools and Academies keep their own waiting lists which you can request to be placed on.

What if I am moving home in-year?

Parents sometimes move house during their child's time at school and should complete an online [In-Year Transfer form](#).

When distance permits, parents often wish their child to continue in their present school in the interests of educational continuity. When the move means that the parents are no longer living within the designated catchment, the child may continue at the school. However, when the return travelling time is more than the recommended 90 minutes a day for pupils of First School age, 90 minutes a day for pupils of Middle School age or 150 minutes a day for pupils of High School age, parents are strongly urged to consider moving their child to a school nearer to their new home. This is because long travelling times can have a detrimental effect on a child's education and limits their ability to take part in after school activities.

Additionally, this may have school transport implications.

Do I need to think about school transport?

School transport is explained in the Northumberland County Council Home to School Transport Policy which can be accessed via the County Council's school transport website.

All applications for free transport will be made using the latest Home to School Transport Policy in the context of the school system in the area at that time. This means that it is possible that younger siblings may not be eligible for transport costs in the same way as the older brothers or sisters. You are advised to check eligibility for transport before you apply if you are requesting a place at a school.

Further information can be found on the County Council website:
<https://www.northumberland.gov.uk/education-skills/schools/school-transport>

Or you can contact the School Transport Team for further advice at
schooltransport@northumberland.gov.uk or 01670 624839.

If my child has a brother or sister in the school, will he or she be allocated a space at that school?

Not necessarily. Attendance at a school by an older brother or sister is only one of the factors taken into account when allocating places at schools that are oversubscribed. Parents need to consider that they may find themselves in the position of siblings attending different schools.

Parents are advised to check the admission arrangements for preferred schools.

What if my child is unable to attend school?

There may be occasions when children are temporarily unable to attend school e.g., because of long-term illness or permanent exclusion. At such times the Local Authority's Education Welfare Service will liaise with schools and other involved agencies in order to make alternative educational arrangements.

What if I want to educate my child other than at school?

Some parents may choose to educate their children other than at school. Often this means electing to educate a child at home. The County Council has a legal duty to ensure that children who are not educated at school do receive an education that is suitable to their age and needs. The County Council's Education Welfare Service fulfils this role. The service offers guidance and support to parents who are undertaking to educate their child other than at school. For a copy of the County Council's guidelines on Elective Home Education, please contact the Education Welfare Service, either by email at educationwelfareservice@northumberland.gov.uk or telephone: **01670 622800**.

What if I have a complaint about a school?

Each school has a complaints procedure, details of which can be requested from the Headteacher. The County Council also has a complaints procedure, details of which can be obtained by calling Wellbeing and Community Health Services Group 0345 600 6400. You can only use the County Council's complaints procedure if your complaint has not been addressed using the school's complaints procedure.

Things to watch for

Dates: Do not miss the closing date for the online application. Do not leave your application until the last minute in case of IT issues. Also check dates for any supplementary forms.

Priority categories: If you think your child fits a particular priority category you must mention this on the form for it to be considered. Check what evidence you need to provide and provide it.

Address: What proof of address will be needed? If parents live apart and a child spends part of the week with each, whose address can be used?

Siblings: Check who counts as a brother or sister particularly if stepfamilies are involved.

Medical or social need: You need supporting documentation from a doctor, psychologist, social worker or other professional third party.

Supplementary forms: Some schools, particularly faith schools, have a supplementary form. This is an extra form for further information about things like church attendance. It does not replace the Local Authority's Online Application Form. Check where and when you need to send this and what evidence you need to provide.

IMPORTANT

If you live in another Local Authority area you should apply through your Home Local Authority.

Admissions Policy for Northumberland County Council's Community and Voluntary Controlled Schools

SECTION 4

Northumberland County Council Admissions Policy for Community and Voluntary Controlled Schools - 2026/27

This policy applies only to Local Authority maintained schools and Voluntary Controlled Schools.

Make sure you understand the admissions criteria fully before you complete the form and remember that circumstances can change from year to year, for example there may be an unusually high number of children living in the catchment area.

Admission to First/Primary Schools

1. The County Council's admission arrangements reflect the requirements of the School Admissions Code 2021 which can be found on the DfE website.
- 1.1 Admission will be once a year on a full-time basis in September if the child is four by 31 August 2026.
- 1.2 The County Council is obliged to admit all applicants to a particular school provided these do not exceed the school's Published Admission Number (PAN).
- 1.3 The Published Admission Number of each school for entry in September 2026 is published in the Admissions Handbook. This publication will be available in September 2025 and can be provided by the School Admissions team on request. Full admission arrangements can be found on the Northumberland County Council website.
- 1.4 In accordance with the School Admission Code 2021, children with an Education Health and Care Plan (EHCP) where the school is named in the Plan or EHC Plan will be given priority of admission.

In addition, those children who are deemed to be 'looked after' or who have previously been 'looked after' will be given priority of admission. **
- 1.5 Parents may be asked to provide evidence of residency if the requested school is oversubscribed. The Local Authority reserves the right to withdraw a place at a school if information relating to address or any other matter is found to be false.
- 1.6 Where places are available for some but not all children from multiple births (including twins) the Local Authority will exercise discretion offered by the School Admissions Code 2021 to offer all the children a place, even if this breaches the published admission number for the year group.
- 1.7 Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school, using the LA's computerised measuring (GIS) system.
- 1.8 Applications on behalf of children who are resident in other Local Authority areas will be considered in the same way as applications from Northumberland residents.
- 1.9 Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that children with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.
- 1.10 The County Council reserves the right to vary these criteria within the relevant year to take account of revisions to legislation or its interpretation by the courts.
- 1.11 In cases when an application for a place has been unsuccessful, the child's name will be placed on a reserve list for the school in question under the appropriate Co-ordinated Scheme. Reserve lists will be maintained until the end of the school year to which they relate.

- 1.12 Those parents whose application to a school has been unsuccessful will be notified of their right of appeal to an Independent Appeal Panel. The School Standards and Framework Act 1998, gives this right to all parents whose application for a school has been unsuccessful. The decision of an Appeal Panel is binding on both the Admission Authority and the school. The School Admissions Appeals Code can be found on the DfE website at: www.gov.uk/dfes.

Oversubscription Criteria

Where there are more applications than places available the following oversubscription criteria will be applied, strictly in order of priority:

1. Looked After Children (as defined by Section 22 of the Children Act 1989) including a child who was previously “looked after” but immediately after being “looked after” became subject to an adoption, residence, or special guardianship order. Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children living within the catchment area of the school and those on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admission date.
3. Children with an exceptional social or medical reason that means that they can only attend that specific school (for example, where the child or one or both parents have a disability that means that the child can only go to one school).

NOTE: Supporting evidence *must* be submitted at the time of application. Strong supporting evidence *must* be provided from a professional body involved with the family or the child. The professional must be independent of both the family and the school. The evidence must relate specifically to the school for which the application is being made and must demonstrate clearly why it is the only school that can meet the child’s needs. No assumptions should be made that the submission of the relevant evidence will, in itself be sufficient to allocate a place.

Note: You will not be allocated a place under this criterion if you omit to send to the School Admissions Manager a written statement from a professional third party by 16 January 2026.

4. Children who have a sibling who already attends the school and who is expected to be on roll at the school at the time of admission.

For the purpose of admissions siblings are deemed to be brothers and sisters, stepbrothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.

5. Other children.

Definitions used under the policy.

‘Parents’ include all those people who have a parental responsibility* for a child as set out in the Children’s Act 1989. Where responsibility for a child is ‘shared’, the person deemed to be the person responsible for completing the application is the person receiving Child Benefit (where appropriate) or the address at which the NHS card is registered.

*Parental Responsibility, unless otherwise determined by a court order:

- Mothers automatically have parental responsibility.
- Fathers also have parental responsibility if the father is married to the mother at the time of the child’s birth. This continues after any divorce/separation/remarriage even if the child lives apart from them.
- An unmarried father can obtain Parental Responsibility by:
 - marrying the mother
 - having his name registered or re-registered on the birth certificate if his name is not already registered**

- entering into a Parental Responsibility Agreement with the mother
- obtaining a Parental Responsibility Order from the court
- having obtained a Residence Order prior to 22.4.2014
- by being named as the resident parent under a Child Arrangements Order
- becoming the child's guardian on the mother's death

******The law has changed so that unmarried fathers who registered or re-registered their name on their child's birth certificate after 1st December 2003 will have Parental Responsibility for their child.

Therefore:

- If an unmarried father has a child after 1st December 2003 and he is registered on the birth certificate, he WILL have Parental Responsibility.
- If a child's birth was registered before 1st December 2003 and the father was not named on the birth certificate, the birth can be re-registered to include the father's name. Once this has been done, the father WILL have Parental Responsibility. *
- If an unmarried father's name is already on the birth certificate and the child was registered before 1st December 2003, the law has not changed this situation so the father WILL NOT have Parental Responsibility. (Unless obtained by other means)

Same-sex parents

Civil partners

Same-sex partners will both have parental responsibility if they were civil partners at the time of the treatment, e.g. donor insemination or fertility treatment.

Non-civil partners

For same-sex partners who are not civil partners, the 2nd parent can get parental responsibility by either:

- applying for parental responsibility if a parental agreement was made.
- becoming a civil partner of the other parent and making a parental responsibility agreement or jointly registering the birth.

The management of school applications may be severely delayed during the main admissions round where separated parents* of the child each submit an application for different schools, or one parent does not agree with the application made by the other parent. The School Admissions Code 2021 states that only one offer of a school place per child can be made by the Local Authority. In this situation the Local Authority asks that parents and/or carers resolve matters between themselves before informing the Local Authority in writing of which application should be processed/their agreement to an application. In case of dispute between parents, where more than one parent has parental responsibility and they do not agree to an application being made to a particular school, a temporary school place will be offered until any dispute is resolved by both parents as a personal matter and this will be based on the address of the parent or carer with whom the child is normally resident, Mondays to Fridays term-time only.

'Siblings' are deemed to be brothers and sisters, stepsiblings, foster siblings, adopted siblings and other children who reside permanently in the household and are treated as siblings.

2. Publication of the Local Authorities Information for Parents (2025/2026) booklet

The Information for Parents publication for September 2026 entry will be available from the beginning of November 2025.

3 Admissions timetable

1 November 2025:	E-admissions portal opens.
1 November 2025:	Admissions Information and School Prospectuses are made available to parents online.
15 January 2026:	Closing Date for Applications: E-admission portal closes.
14 February 2026:	Last date for any late applications to be submitted and considered as exceptions.
16 April 2026:	Parents notified of the outcome of their applications for school places.
1 May 2026:	Last date for offers to be rejected by parents.

Admissions Policies for Voluntary Aided and Foundation Schools, Trust Schools and Academies

SECTION 5

Types of school

The admissions authority is the official body which decides the rules on how children will get a place at the school and who is offered a place. **The headteacher is not part of the admissions authority and plays no part in deciding admissions to the school.** Different types of school have different admission authorities.

Type of School	Admissions Authority
Community	Local Authority
Voluntary Controlled	Local Authority
Voluntary Aided	Governors
Foundation/Trust	Governors
Academies	Academy Trust

All parents **must** complete an application for a place in a Reception class even if your child attends the school nursery or pre-school setting. Attendance at a nursery/setting does not guarantee a place at the school.

The admission policy for each school is important. You should check the admissions criteria for each school that you are considering for your child to see what level of priority you have. If a school has been consistently oversubscribed and you have a low priority you should think seriously about the likelihood of your child being allocated a place there.

The following community and voluntary controlled schools follow the Northumberland County Council Admissions Policy:

- Acomb First School
- Allendale Primary School
- Amble Links Primary School
- Beaconhill Community Primary School
- Beaufront First School
- Bedlington Station Primary School
- Bedlington Stead Lane Primary School

The following Academies/Trust Schools have decided to use the Northumberland County Council Admissions policy (Page 25) for the September 2026 intake:

- Bellingham Primary School
- *Branton Primary School
- *Longhoughton C of E Primary School
- *Shilbottle Primary School
- *Swansfield Park Primary School

However, academies will make the decision about which children to admit in accordance with these arrangements.

Some of the above schools require an additional form giving further details e.g., religion, which will enable them to correctly apply their criteria. You should contact your chosen school to ask whether an additional form is required. This form does not replace the Local Authority's Online Application Form.

It is the parents' responsibility to provide the evidence requested to the school by the closing date of 15 January 2026.

Broomhaugh Church of England Aided First School

We intend to admit up to 15 pupils to the Reception year group each academic year. The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Children with an Education, Health and Care (EHC) plan naming Broomhaugh School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

Over-subscription Criteria

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted
2. Children who have exceptional medical or social needs that make it essential that their child attends Broomhaugh School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
3. Children with a normal home address in the catchment and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
4. Children with a normal home address in the catchment area (see map)
5. Children with a normal home address outside the catchment area and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
6. Other children..

Tie Breaker

Proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school

Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Chollerton C of E Aided First School

The Governing Body of Chollerton Voluntary Aided Church of England School is the Admissions Authority for the school and they intend to admit up to 10 pupils to the reception year group in September 2026-2027. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children in the care of local authorities (looked after children) and those with special educational needs whose Education Health and Care Plan (EHCP) names the school. In the event of the number of applications exceeding the number of places available priority will be given to applications in the order of priority indicated below.

Over-subscription Criteria

1. Looked After Children, Previously Looked After Children and Internationally Adopted Looked After Children (LAC, PLAC and IAPLAC)
2. Children with a sibling at the school at the time when they would be admitted to the school
3. Regular attendance at public worship at St. Giles, Chollerton Church of England church, regular attendance at public worship in any Church of England church, or Attendance at public worship in any other Christian church.
4. Distance from school.
5. Children living in the catchment area of the school.
6. Children who have special medical needs or other special circumstances, (supported by medical/professional opinion).
7. Pupil Premium.
8. Children of Staff.

Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose principal home address is nearest to the school, when measured in a straight line as the crow flies between the front door of the home and the main gate of school using the Local Authority's computerised measuring system.

In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s).

Waiting List

The school office will maintain a waiting list of applicants until 31 December in each year. In the event of a place becoming available in the appropriate class during the year and there are more applicants on the waiting list than places available, the selection criteria and tiebreaker indicated above will apply. Each added child will require the list to be ranked again in line with the published oversubscription criteria.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact Glenda Glenwright at Chollerton Church of England Aided First School at Station Road, Barrasford, Hexham, Northumberland, NE48 4AA within 25 days of the date of the letter refusing your child a place at the school for information on how to appeal.

Corbridge C of E First School

We intend to admit up to 30 pupils to the Reception year group each academic year. The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area

Over-subscription criteria

Children with an Education, Health and Care (EHC) plan naming Corbridge School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
- 2 Children who have exceptional medical or social needs that make it essential that their child attends Corbridge School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. Children who have exceptional medical or social needs that make it essential that their child attends our school rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 3 Children with a normal home address in the catchment and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 4 Children with a normal home address in catchment area.
- 5 Children with a normal home address outside the catchment area and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 6 Other children.

Tie breaker

Proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting lists will be maintained until 31 December of the admission year.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Cramlington Village Primary School

Admission to Reception in September 2026-2027

Agreed admissions number

The school will admit 30 pupils to its reception class for the academic year 2026-27.

Children with Education and Health Care Plans

Cramlington Village Primary School will admit any pupil whose plan names Cramlington Village Primary School and for whom the school has agreed to be named in the plan.

Oversubscription criteria

If there are more applicants than places, places will be offered in accordance with the following criteria in order of priority:

1. Looked After Children. Children who are looked after, or who have been previously looked after, by a Local Authority in accordance with Section 22 of the Children Act 1989 at the date the relevant application for admission is made, and who the Local Authority has confirmed will continue to be looked after by it in accordance with the said section at the time they are admitted to the school.
2. Pupils with exceptional medical or exceptional social needs (evidence must be supported in a written statement by a professionally involved third party, such as a doctor or a social worker). Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice, explaining why these needs can realistically only be met by Cramlington Village Primary School. The definition of what constitutes medical or social needs for this purpose will be set out in the school's prospectus.
3. Pupils whose parents are regarded as 'founding members' and who continue to be actively involved in the leadership of the school at the start of term in September 2026.
4. Pupils who, on the date of admission, will have a sibling already enrolled in the school. (For the purpose of admission siblings are deemed to be brothers and sisters, stepbrothers and stepsisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings)
5. Priority for 5 of the remaining places per class, will be given to children who are entitled to free school meals at the time of application and who have successfully applied to the Local Authority and who have received written confirmation of their child's entitlement to free school meals. This amounts to 16% of the overall intake per class, in line with the average for the town. These places will be awarded by random allocation at a meeting monitored by an independent adjudicator.
6. After places have been filled using the criteria above any remaining places will be awarded by random allocation to pupils within a 10-mile radius of the school entrance doors at a meeting monitored by an independent adjudicator.
7. Where applications are received from twins, triplets or same-year siblings, the following procedure will be followed. If one child is selected for a place the twin/triplet/same-year sibling will automatically be selected. If school places are oversubscribed the family name will be entered into the list available for random allocation rather than individual children's names because when one child is allocated a place it automatically secures a place for the other child(ren).

Waiting lists

On 1st September 2026 applications on the reserve list will be placed on the waiting list. All applications on the waiting list will be considered for any vacancies occurring during the period between 1st September and 31st December 2026 in accordance with the admission criteria set out below under in- year or casual admissions.

Appeals

Parents whose applications for places are unsuccessful will be given an opportunity to appeal against the decision to an Independent Appeal Panel, set up in accordance with the statutory provisions in force at the time.

The appeal panel will be independent of Cramlington Village Primary School. The determination of the Appeal Panel is binding on all parties. The school shall prepare guidance for parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries parents may have about the process. The school may, if it chooses, enter into an agreement with the Local Authority or any other organisation to recruit, train and appoint Appeal Panel members and to arrange for the process to be independently administered and clerked. Full details will be sent to parents with their decision letters.

Reserve list

In addition to the right to appeal, unsuccessful applicants will be offered an opportunity to be placed on the reserve list. The order of the reserve list will be determined in accordance with the order determined by the over-subscription criteria.

The reserve list will be maintained until 31st August.

Vacancies arising between the offer day and the 31st August will in the first instance be offered to applicants on the reserve list.

Holy Island C of E Voluntary Aided Primary School

The governing body of Holy Island Church of England Voluntary Aided Primary School is the admissions authority for the school and they intend to admit up to 5 pupils to the reception year group in September 2026. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children who are currently or who have ever been in the care of the local authority (looked after children), giving adopted children who were previously in care (and children who leave care under a special guardianship or residence order) the same (highest) priority for places as looked after children, and those with an Education, Health and Care Plan (EHCP) or statement of special educational needs, which names the school. In the event of the number of applications exceeding the number of places available priority will be given to applications in the order of priority indicated below.

Over-subscription Criteria

1. Children who have special medical needs or other special circumstances (supported opinion).
2. Children who live in the Parish of St Mary, Holy Island.
3. Children with a brother/sister at the school at the time they would be admitted to the school.
4. Children of parents worshipping regularly and frequently at the Parish Church of St. Mary, Holy Island. (Regularly and frequently is defined as attendance once per month over the last 12 months. It is sufficient for just one parent/carer to attend).
5. Children of parents worshipping in another Christian Church who wish their child to attend this school because of its Christian foundation.
6. Children of staff provided that they have been employed for at least two years or have been recruited to fill a post for which there is demonstrable skills shortage.
7. Other children.

Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school, when measured in a straight line (i.e., as the crow flies) from the front door of the child's home address to the main gate of the school using the Local Authority's computerised measuring system.

Waiting List

The school office will maintain a waiting list of applicants until 31st December. In the event of a place becoming available in the appropriate class during this time and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

Appeals

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

Holy Trinity VA C of E Aided Primary School

The governing body of Holy Trinity Voluntary Aided Church of England School is the Admissions Authority for the school and they intend to admit up to 30 pupils to the Reception year group in September 2026. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Over-subscription Criteria

Children with an Education, Health and Care (EHC) plan naming Holy Trinity First School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Children who are looked after, or have been previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
2. Children with a sibling at the school at the time when they would be admitted to the school.
3. Children who live in the catchment area as defined by the Local Authority.
4. Children who have exceptional medical needs, these needs must be supported by written evidence from the appropriate professional person involved with the family.
5. Children who have a parent who has been employed at the school for two years or more.
6. Other children.

Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for oversubscription, and does not depend on the date on which an application is received. Each added child will require the list to be ranked again in line with the published oversubscription criteria. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year. [can be longer but must be at least 31 Dec]

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the school office.

Hugh Joicey C of E Aided Primary School

We intend to admit up to 15 pupils to the Reception year group each academic year. The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Oversubscription criteria

Children with an Education, Health and Care (EHC) plan naming Hugh Joicey C of E Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order.
2. **Children who have exceptional medical or social needs** that make it essential that their child attends Hugh Joicey C of E Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
3. **Children with a sibling attending the school** at the time when they would be admitted to the school.
4. **Children who live in the parish of Ford and Etal)** with a normal home address **or in the wider Ford catchment area**.
5. **Children of parents worshipping regularly and frequently** at the church within the parish of Ford and Etal).
6. **Children of parents worshipping regularly and frequently in another Christian Church** who wish their child to attend this school because of its Christian foundation.
7. **Other children.**

Tie breaker

Proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 7 should the need arise. Humshaugh C E Voluntary Aided First School

We intend to admit up to 11 pupils to the Reception year group each academic year. The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Children with an Education, Health and Care (EHCP) plan naming Humshaugh C of E (Aided) First School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

Over-subscription Criteria

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted
2. **Children who have exceptional medical or social needs** that make it essential that their child attends Humshaugh CE First School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family
3. **Children with a normal home address in the parish of Humshaugh and with a sibling** on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
4. **Children with a normal home address in the parish of Humshaugh**
5. **Children with a normal home address outside Humshaugh and with a sibling on the roll** of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
6. **Other children**

Tie Breaker

Proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

3. Children with a normal home address in the school's catchment area (see attached map).
4. Other children.

Tie Breaker

Proximity to the child's home, as measured by the straight-line distance (as the crow flies") between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. Whalton C of E Aided Primary School / Longhorsley CE First School

The Governing Body of The Federation of Longhorsley and Whalton C of E Schools is the Admissions Authority for both schools. We intend to admit up to **10** pupils to the Reception year group in September 2026 at Whalton and up to **15** pupils in Reception at Longhorsley.

The school is open to receive applications for admissions from parents of all children. By law no infant class may contain more than 30 children. Children with a Statement of Special Educational Need or with an Education, Health and Care Plan (EHCP) which names the school will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order.
2. **Children previously in state care outside of England**. This refers to children who were previously in state care outside of England and have ceased to be in state care as a result of being adopted.
3. **Pupils living within the catchment area of the school** and those on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admission date.
4. **Pupils who have an older brother or sister who already attends the school** and who is expected to be on roll at the school at the time of admission.
5. **Children who have exceptional medical or social needs** that make it essential that they attend Whalton C of E Primary School / Longhorsley C of E First School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
6. **Other children by distance from the school**, with priority for admission given to children who live nearest to the school as measured by using Ordnance Survey data to plot an address in this system. Distances are measured from the main entrance of the child's home to the main entrance of the school as specified in the school information pack.

Tie Break

In the event of more than the allowable number of children meeting the selection criteria at the intake threshold, priority will be given to those children who live nearest to the School as the crow flies from the front door of the child's home address to the main gate of the school, using the Local Authorities computerised measuring system. In the event of children living equidistant from the School, lots will be drawn.

Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for oversubscription and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

Whitley Chapel CE First School

We intend to admit up to 10 pupils to the Reception year group each academic year. The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area. Because we have vertically grouped mixed age classes, we can occasionally be flexible and admit more than 10 pupils, but only if there are fewer than ten pupils in the year groups on either side.

Over-subscription criteria

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming Whitley Chapel First School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

4. **Children with a normal home address in Whitley Chapel CE First School catchment** and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
5. **Children with a normal home address in Whitley Chapel CE First School catchment area**.
6. **Children with a normal home address outside the Whitley Chapel CE First School catchment area** and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
7. **Other children**.

(Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling.)
4. **Children with a normal home address outside the school catchment area and with a sibling on the roll of the school at the time of application** or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling.)
5. **Children with a normal home address in the school catchment area.**
6. **Children of parents worshipping regularly and frequently at the parish church of St Cuthbert, Bedlington.**
7. **Children of parents worshipping regularly and frequently at another Christian church** who wish their child to attend this school because of its Christian foundation.
8. **Other her children who do not fall within the oversubscription criteria**, ranked by distance from the school, with priority given to children who live nearest to the school as measured by using the LA's computerised measuring system. Distances are measured in a straight line, 'as the crow flies', from the main entrance of the child's home to the main entrance of the school.

Tie breaker

Proximity of the child's home, as measured by using the LA's computerised measuring system, in a straight line distance, 'as the crow flies', between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 6 should the need arise. Ashington Learning Partnership Trust

ADMISSIONS POLICY – BOTHAL 2026-2027

The Governing Body of the Ashington Learning Partnership (ALP) is the Admissions Authority of the ALP. All admissions are determined by the Governing Body in accordance with criteria outlined below.

The Governing Body intends to admit up the Planned Admission Number into the Reception year group in September 2026.

Bothal Primary School	90
------------------------------	-----------

In accordance with the School Admission Code, children with a statement of Special Educational Need or an Educational Healthcare Plan (EHCP), where Bothal Primary School is named in the statement or EHCP, will be admitted.

The admissions policy criteria will be applied if school is oversubscribed. Priority for admissions will be given as follows:

1. Children who are 'looked after' or who have previously been 'looked after' in the care of a local authority will be given first priority.
2. Pupils with exceptional medical needs supported by evidence that specifies the school applied for.
3. Pupils who have a sibling already attending Bothal Primary School (Reception to Year 6)
4. Children who attend the Nursery Class in the previous academic year to that of their application.
5. Pupils who reside within the catchment area of the school for which they are applying, or where firm evidence can be provided that they will do so by the proposed admission date.
6. Applications from children who meet none of the criteria above.

The criteria will be applied to the best of our ability using information provided by the Local Authority.

The above will be applied, however, where there are places available for some but not all applications, the following 'tie breaker' will be applied:

- Distance from the front door of the child's home to main gate of the school will be the deciding factor with preference being given to those whose home address is nearest as measured in a straight line ('as the crow flies'). The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement. Catchment areas for the schools may be viewed at <http://map.northumberland.gov.uk/schools/>

Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

In cases where an application for a place has been unsuccessful, parents may request that the child's name be placed on a waiting list. Waiting lists will be held by the Local Authority.

Deferred Entry

A child is entitled to be offered a full-time place in the September following their fourth birthday.

Parents can:

- defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made, and
- where parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.
-

Admission of children outside their normal group will be managed as per the DfE's school Admissions Code.

Ashington Learning Partnership Trust

ADMISSIONS POLICY - CENTRAL 2026-2027

The Governing Body of the Ashington Learning Partnership (ALP) is the Admissions Authority of the ALP. All admissions are determined by the Governing Body in accordance with criteria outlined below.

The Governing Body intends to admit up the Planned Admission Number into the Reception year group in September 2024.

Central Primary School

90

In accordance with the School Admission Code, children with a statement of Special Educational Need or an Educational Healthcare Plan (EHCP), where Central Primary School is named in the statement or EHCP, will be admitted.

The admissions policy criteria will be applied school is oversubscribed. Priority for admissions will be given as follows:

1. Children who are 'looked after' or who have previously been 'looked after' in the care of a local authority will be given first priority.
2. Pupils with exceptional medical needs supported by evidence that specifies the school applied for.
3. Pupils who have a sibling already attending Central Primary School (Reception to Year 6)
4. Children who attend the Nursery Class in the previous academic year to that of their application.
5. Pupils who reside within the catchment area of the school for which they are applying, or where firm evidence can be provided that they will do so by the proposed admission date.
6. Applications from children who meet none of the criteria above.

The criteria will be applied to the best of our ability using information provided by the Local Authority

The above will be applied, however, where there are places available for some but not all applications, the following 'tie breaker' will be applied:

- Distance from the front door of the child's home to main gate of the school will be the deciding factor with preference being given to those whose home address is nearest as measured in a straight line ('as the crow flies'). The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement. Catchment areas for the schools may be viewed at <http://map.northumberland.gov.uk/schools/>

Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

In cases where an application for a place has been unsuccessful, parents may request that the child's name be placed on a waiting list. Waiting lists will be held by the Local Authority.

Deferred Entry

A child is entitled to be offered a full-time place in the September following their fourth birthday.

Parents can:

- defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made, and
- where parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.
-

Admission of children outside their normal group will be managed as per the DfE's school Admissions Code.

Ss Peter & Paul's Catholic Primary Academy, Cramlington

Bishop Bewick Catholic Education Trust is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The admission authority has set the school's Published Admissions Number ("PAN") at 30 pupils to be admitted to the reception year in the school year which begins in September 2026.

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the parish(es) of St Paul's Cramlington and St John the Baptist Annitsford
3. Other Catholic children.
4. Other looked after and previously looked after children.
5. Catechumens and members of an Eastern Christian Church.
6. Children of other Christian denominations whose membership is evidenced by a minister of religion.
7. Children of other faiths whose membership is evidenced by a religious leader.
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

(i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made.

(ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured in a straight line (as the crow flies) from the front door of the child's address (including flats) to the main entrance of the school, (using the Local Authority's computerised measuring system) with those living closer to the school receiving the higher priority.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

Abbeyfields First School

Abbeyfields First School is an academy and is part of Cheviot Learning Trust, which is the admissions authority for the school and is responsible for determining the School's admissions policy. The published admission number (PAN) for entry into Reception at Abbeyfields First School is 60.

Where the school receives more applications than places available, places will be allocated in accordance with the criteria set out below.

Oversubscription criteria (in priority order)

1. **'Looked after' children or 'previously looked after' children** i.e. children who were previously looked after but ceased to be because they were adopted or became subject to a child arrangements order (formerly a residence order) or a special guardianship order and including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
2. **Children with a normal home address** in the school's catchment area, on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admissions date. The school's catchment area as defined by Cheviot Learning Trust is available on the Northumberland County Council "school catchment area digital maps"
3. **Siblings** Children who have an older brother or sister who already attends Abbeyfields First School and who are expected to be on roll at the school on the admission date.
4. **Other children**

Tie breaker

Siblings. In the first instance, children who have an older brother or sister who already attends Abbeyfields First School and who is still expected to be on roll at the school on the admission date will be accorded higher priority between children in criteria 1 and 2 should the need arise.

Distance. Proximity of the child's home, as measured by the straight-line distance (see Note 5) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The random allocation process will be conducted in the presence of a person independent of the school.

Multiple Births. Where the last place to be allocated would mean that a multiple birth sibling group, i.e. twins, triplets, or other multiple birth sibling groups would be split, the sibling will be accepted as an excepted pupil notwithstanding the school's published admission number.

Proof of Residence. Parents will be asked to provide proof of residency in the case of oversubscription. The address given must be where the child lives permanently. It must not be that of a childminder, grandparent, or other relative's address. If parents/carers share custody of a child then the Trust may request to see the court order, medical card or other evidence to establish where the child is resident for most of the time during weekdays. The Trust also reserves the right to withdraw a place at a school if information relating to address or any other matter is found to be false or misleading.

Waiting lists

If your child has not been offered a place at the school, the school will put your child's name on a waiting list. Children are given a position on the waiting list according to the oversubscription criteria regardless of when the child's application was made or received. Each added child will require the list to be ranked again in line with the published oversubscription criteria. If pupil numbers subsequently fall below the school's published admission number, a place will be offered to the child at the top of the waiting list at that point except that priority is always given to looked after children, previously looked after children, and those children allocated a place at the school in accordance with Northumberland County Council's Fair Access Protocol.

This means that a child who is on the waiting list will move down the list if another child subsequently applies for a place at the school and has greater priority under the oversubscription criteria or in accordance with Fair Access Protocol. The school will hold a waiting list for one term in that academic year ending on 31 December; no list will be held by the school after this date and new in-year applications will need to be submitted.

Right of appeal

Parents have a statutory right of appeal if, following an application, the admission authority does not offer the child a place at the school. Parents will be given more information about how to appeal when they are informed of the decision not to offer their child a place.

Broomley First School

Broomley First School is an academy and is part of Cheviot Learning Trust, which is the admissions authority for the school and is responsible for determining the school's admissions policy.

The published admission number (PAN) for entry into **Reception** at Broomley First School is 30.

Where the school receives more applications than places available, places will be allocated in accordance with the criteria set out below.

Oversubscription criteria (in priority order)

1. **'Looked after' children** or 'previously looked after' children i.e. children who were previously looked after but ceased to be because they were adopted or became subject to a child arrangements order (formerly a residence order) or a special guardianship order and **including children previously in state care outside of England** who have ceased to be in that state care as a result of being adopted.
2. **Children with a normal home address in the school's catchment area**, on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admissions date. The school's catchment area as defined by Cheviot Learning Trust and also available on the Northumberland County Council "school catchment area digital maps".
3. **Siblings.** Children who have an older brother or sister who already attends Broomley First School and who are still expected to be on roll at the school on the admission date.
4. **Other children**

Tie breaker

Siblings. In the first instance, children who have an older brother or sister who already attends Broomley First School and who is still expected to be on roll at the school on the admission date will be accorded higher priority between children in criteria 1 and 2 should the need arise.

Distance. Proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The random allocation process will be conducted in the presence of a person independent of the school.

Multiple Births Where the last place to be allocated would mean that a multiple birth sibling group, i.e. twins, triplets, or other multiple birth sibling groups would be split, the sibling will be accepted as an excepted pupil notwithstanding the school's published admission number.

Proof of Residence Parents will be asked to provide proof of residency in the case of oversubscription. The address given must be where the child lives permanently. It must not be that of a childminder, grandparent, or other relative's address. If parents/carers share custody of a child then the Trust may request to see the court order, medical card or other evidence to establish where the child is resident for most of the time during weekdays. The Trust also reserves the right to withdraw a place at a school if information relating to address or any other matter is found to be false or misleading.

4. **Other children**

Tie breaker

Siblings. In the first instance, children who have an older brother or sister who already attends Whittonstall First School and who is still expected to be on roll at the school on the admission date will be accorded higher priority between children in criteria 1 and 2 should the need arise.

Distance. Proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The random allocation process will be conducted in the presence of a person independent of the school.

Multiple Births. Where the last place to be allocated would mean that a multiple birth sibling group, i.e. twins, triplets, or other multiple birth sibling groups would be split, the sibling will be accepted as an excepted pupil notwithstanding the school's published admission number.

Proof of Residence. Parents will be asked to provide proof of residency in the case of oversubscription. The address given must be where the child lives permanently. It must not be that of a childminder, grandparent, or other relative's address. If parents/carers share custody of a child then the Trust may request to see the court order, medical card or other evidence to establish where the child is resident for most of the time during weekdays. The Trust also reserves the right to withdraw a place at a school if information relating to address or any other matter is found to be false or misleading.

Waiting lists

If your child has not been offered a place at the school, the school will put your child's name on a waiting list. Children are given a position on the waiting list according to the oversubscription criteria regardless of when the child's application was made or received. Each added child will require the list to be ranked again in line with the published oversubscription criteria. If pupil numbers subsequently fall below the school's published admission number, a place will be offered to the child at the top of the waiting list at that point except that priority is always given to looked after children, previously looked after children, and those children allocated a place at the school in accordance with Northumberland County Council's Fair Access Protocol.

This means that a child who is on the waiting list will move down the list if another child subsequently applies for a place at the school and has greater priority under the oversubscription criteria or in accordance with Fair Access Protocol. The school will hold a waiting list for one term in that academic year ending on 31 December; no list will be held by the school after this date and new in-year applications will need to be submitted.

Right of appeal

Parents have a statutory right of appeal if, following an application, the admission authority does not offer the child a place at the school. Parents will be given more information about how to appeal when they are informed of the decision not to offer their child a place.

Wylam First School

Wylam First School is an academy and is part of Cheviot Learning Trust, which is the admissions authority for the school and is responsible for determining the school's admissions policy.

The published admission number (PAN) for entry into **Reception** at Wylam First School is 30.

Where the school receives more applications than places available, places will be allocated in accordance with the criteria set out below.

Oversubscription criteria (in priority order)

1. **'Looked after' children** or 'previously looked after' children i.e. children who were previously looked after but ceased to be because they were adopted or became subject to a child arrangements order (formerly a residence order) or a special guardianship order) and **including children previously in state care outside of England** who have ceased to be in that state care as a result of being adopted.
2. **Children with a normal home address in the school's catchment area**, on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admissions date. The school's catchment area as defined by Cheviot Learning Trust available on the Northumberland County Council "school catchment area digital maps".
3. **Siblings.** Children who have an older brother or sister who already attends Wylam First School and who are still expected to be on roll at the school on the admission date.
4. **Other children**

BEDE ACADEMY

Primary Years (Reception to Year 6)

The Academy operates alongside Northumberland Local Authority and the National Guidelines on Admissions and Appeals. Emmanuel Schools Foundation Multi Academy Trust (ESF MAT) is the Admissions Authority for entry into Bede Academy, with day-to-day responsibility delegated to Bede Academy's governors, and is responsible directly to the Department for Education for all Admissions and Appeals.

The Published Admissions Number for Reception is 90 Places are offered to prospective Reception students at the same time as places are allocated within all other Northumberland schools. This is coordinated with the Academy and the Local Authority but all queries and appeals are handled by Bede Academy directly.

After the admission of pupils with Statements of Special Educational Need or Education, Health and Care Plan (EHCP) for whom Bede Academy has consented to be named on the Statement (*evidence of this must be provided*), the remaining available places will be allocated in the following order priority:

- **Looked After Children (in public care) and previously Looked After Children.**
- **Children on whose behalf written evidence of exceptional medical or social need is presented, such as evidence being supplied by a professionally involved third party and must set out the particular reasons why the Academy is the most suitable school.**
- **Children of staff where the member of staff is filling a post for which there is demonstrable skill shortage.**
- **Children who have a sibling(s) who will be in Year Reception to Year 6 on the Academy roll at the time of admission.**
Siblings are recognised as brothers, sisters, half-brothers, half-sisters, stepbrothers and step-sisters who reside permanently in the same household.
- **Children who live in the published catchment area for the Academy**
Where a child lives at more than one address, the main address will be deemed to be that of the parent receiving the Child Benefit payment. The catchment area map is available to view on our website.
- **Children who are eligible to receive the 'service premium' under section 14 of the Education Act 2002 for the purposes of supporting the pastoral needs of the children of Armed Forces personnel.**
- **Children, on the basis of the closeness of their home's front door to the front gate of Bede Academy, measured by walking in the shortest possible line without entering private property.**

Walking distance must be along a safe walking public route, which does not include private short cuts or walk across open ground where there are no public rights of way. A safe walking route is defined as being paved/tarmacked and lit at regular intervals. For applications for years Reception to year 6 the walking distance will be calculated to the front gate of Bede Academy, Curlew Way. Bede Academy use software that is specialised for computer mapping of distance. This is called "Basemap" and takes the X and Y coordinates of the property address and calculates the distance to the front gate of Bede Academy.

Tie Break

Random allocation will be used as a tie-break to decide who has the highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified.

Appeals

The Academy operates alongside Northumberland Local Authority and the National Guidelines on Admissions and Appeals. Emmanuel Schools Foundation Multi Academy Trust (ESF MAT) is the Admissions Authority for entry into Bede Academy, with day-to-day responsibility delegated to Bede Academy's governors, and is responsible directly to the Department for Education for all Admissions and Appeals.

GREENHEAD C OF E NURSERY AND PRIMARY SCHOOL

Introduction

We intend to admit up to **8 pupils** to the Reception year group each academic year. The Durham and Newcastle Diocesan Learning Trust are the admissions authority for the school working with the Local Academy Council for the West Tyne Church Schools. We have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area

Over-subscription criteria

Children with an Education, Health and Care (EHC) plan naming this school will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order **including children previously in state care outside of England** who have ceased to be in that state care as a result of being adopted.
2. **Children with a sibling** on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
3. **Children with a normal home address in:-**
 - a. For Greenhead CE Primary, the parish of Parishes of Greenhead & Haltwhistle.
4. **Children of parents worshipping regularly and frequently** at the Parish Church of St Cuthbert's, Greenhead.
5. **Children of parents worshipping regularly and frequently in another Christian Church** as recognised by Churches Together in Britain and The Evangelical Alliance who wish their child to attend this school because of its Christian foundation.
6. **Children who have exceptional medical or social needs** that make it essential that their child attends this school rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
7. **Other children.**

Tie Breaker

Proximity of the child's home, as measured by the straight-line distance (see Note 8) between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 7 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription and does not depend on the date on which an application is received. Each added child will require the list to be ranked again in line with the published oversubscription criteria. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Newbrough Church of England Primary School

We intend to admit up to 15 pupils to the Reception year group each academic year. The Durham and Newcastle Diocesan Learning Trust are the admissions authority for the school, decisions on admissions are delegated to the Academy Council of the Trust. We have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Over-subscription criteria

Children with an Education, Health and Care (EHC) plan naming Newbrough C of E Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
2. Children with a sibling on the roll of the school (R-Y6) at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
3. Children who have exceptional medical or social needs that make it essential that their child attends Newbrough C of E Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
4. Other children.

Tie breaker

Proximity of the child's home, as measured by the straight-line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 4 should the need arise. Parents who wish their children to attend the school are most welcome to visit. Arrangements can be made through the Secretary at the school.

Wark C of E Primary School

The Durham and Newcastle Diocesan Learning Trust is the Admissions Authority for the school with responsibility for admissions delegated to the Local Academy Council, we intend to admit up to 15 pupils to the reception year group each year. This arrangement follows consultation between the local academy council, the LA, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children.

Children with an Education, Health and Care (EHC) plan naming Wark C of E Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

Over-subscription Criteria

Where the number of applications exceeds the places available in a year group, priority will be given to the following categories of pupils: (in the order of priority as follows):

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted
2. Children who have special medical/social, circumstances (supported by medical/professional opinion)
3. Children who have a sibling attending the school where that sibling is expected to be on roll at the time of admission
4. Children whose parents worship regularly and frequently at St Michael's Church, Wark, St Mungo's Church, Simonburn or St Giles' Church, Birtley.
5. Other children

Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose normal home address is nearest to the school, when measured in a straight line (i.e. as the crow flies) from the front door of the child's home address (including flats) to the main entrance of the school (using the Local Authority's computerised measuring system). In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school

Waiting List

The school office will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during the year and there being more applicants on the waiting list than places available, the subscription criteria and tie breaker indicated above will apply and the order of priority does not depend on the date received. Each added child will require the list to be ranked again in line with the above oversubscription criteria.

Whitfield Church of England Primary School

The planned admission number for the school is 8.

In line with current legislation, local authorities have drawn up a separate scheme to coordinate admissions to maintained schools and academies within their areas for the main admissions round. The Trust will use the co-ordinated admissions scheme documentation used by the relevant local authority. The Trust does not have additional criteria whereby any Supplementary forms are required. Forms sent to schools will be forwarded to the relevant local authority.

Where there are more applications than places available for entry to all year groups applications will be prioritised using the criteria below. They will be applied in conjunction with explanatory notes 1 - 6 which form part of the policy.

1. Children looked after and who were previously looked after, i.e., in public care, giving priority, if necessary, to the youngest child(ren).
2. Children living in the catchment area who have brothers or sisters in the school (or associated infant/first or junior/middle school) at the time of admission.
3. Children living outside the catchment area who, at the time of their admission, have brothers or sisters in the school (or associated infant or junior school) who were allocated a place at that school either (a) in the absence of a place being available in the catchment area school due to oversubscription and the school was identified as the next nearest with a place available or (b) the school is named in the sibling's Statement of Special Educational Need/ Education, Health and Care Plan (EHCP)
4. Other children living in the catchment area giving priority to those living closest to the school, measured by a straight-line measure between the centre of the pupil's home address and a common point on the school site as determined by the Local Authority's computerised Geographical Information System
5. Children living outside the catchment area who have brothers or sisters in the school (or associated infant or junior school) at the time of their admission
6. Children living outside the catchment area, giving priority to those who live closest to the school, measured by a straight-line measure between the centre of the pupil's home address and a common point on the school site as determined by Local Authority's computerised Geographical Information System

Applications will be prioritised on the above basis. An exception will be made under the Authority's policy for the education of children with special educational needs where a child holds an Education, Health and Care Plan, that names the school.

Tie Breaker

Where there are more applications than places available for entry to all year groups, applications will be prioritised using criteria 2, 3 and 5, priority will be given to those children with the youngest siblings. Brothers and sisters are those living at the same address and includes step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school (excluding a nursery class) at the time of admission.

For any criteria that gives priority to those living closest to the school, distance measurements will be undertaken using the Local Authority's computerised Geographical Information System (GIS). This measurement will be a straight-line measurement between the centre of the pupil's home address and the Main Entrance doorway of the school, as determined by the Trust Directors

Random allocation will be used as a tie-break in categories 5 and 8 to decide who has the highest priority for admission if the distance between the children's home address and the school is the same. This process will be independently verified.

Waiting List

Once places have been allocated, children refused a place will continue to be considered for any vacancies which become available up until 31st December 2026. Vacancies will always be allocated by applying the admissions policy and length of time on the waiting list will not be a consideration. Reserve lists will be managed by each academy.

Appeals

Where a place cannot be offered, the Trust must offer the right of appeal and advise the parent to contact the Local Authority School Admissions and Appeals Team in order that an in-year transfer form can be completed.

Meadowdale Academy

The North East Learning Trust is the Admissions Authority responsible for determining and applying this policy in the following Academies:

- Meadowdale Academy
- Ashington Academy
- Bedlington Academy

The Trust will consider all admission applications sent to them by the local authority (LA) and will apply the policy fairly and consistently to every application received.

The PAN applies to the intake year which is Reception for primary and Year 7 for secondary.

The PANs for 2026/2027 are:

Academy Phase PAN Meadowdale Primary 30

To apply for a place at Meadowdale Academy within the Trust parents/carers should complete the common application form supplied by Northumberland County Council. The completed application form must be returned to the local authority by no later NELT Admissions Policy: Northumberland Academies 2026/27 3/14 than 15 January 2026. Any application forms received after that date will be classed as 'late' and will not be dealt with until all applications received on time have been through the application process.

Oversubscription criteria for Meadowdale Academy

1. Children who are 'looked after' or a child who was previously looked after including those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care because of being adopted or became subject to a child arrangements order or special guardianship order.

A looked after child is a child who is, at the time of making an application to a school, is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions. (See definition in section 22(1) of the Children Act 1989.

Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, religious organisation, or any other provider of care whose sole purpose is to benefit society.

1. Medical reasons

Children with very exceptional medical factors directly related to school placement (for example the child or one or both parents/carers has a disability that means the child can only attend one school).

Strong supporting evidence must be provided from a professional body involved with the family or child. A letter from the child's GP, parents/carers GP or other relevant professional MUST be submitted with the application. The evidence must relate to the school for which the application is being made and must demonstrate clearly why the Academy is the only school that can meet the child's needs. No assumptions should be made that the submission of the relevant evidence will, in itself be sufficient to allocate a school place.

2. Sibling links

Children who have a sibling already attending the school and who is expected to be on roll in Reception to Year 6 at the time of admission. Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, halfbrothers or sisters, adopted brothers or sisters, stepbrothers or sisters and children of the parent/carer's partner.

3. Children of staff employed at the Academy

Children of staff employed at the Academy for two or more years at the time at which the application for admission is made and/or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage.

4. Distance

Children who live nearest the school measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. All distance measurements are based on the distance checker contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school

admissions software ensuring consistency in measurement. Otherwise, if only one final place can be offered, and two or more applicants live equidistant from the Academy, random allocation (names out of a hat or other suitable container) will be used. This process will be supervised by a person independent of the Trust.

Tie Breaker

Where an Academy is oversubscribed within any of the categories above distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school when measured as the crow flies from the front door of the child's home address to the main gate of the school using the local authority's computerised measuring system.

Waiting lists/appeals

The Trust will maintain the waiting list. Positions on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Those parents/carers whose application for admission has been unsuccessful will be notified of their right of appeal to an Independent Appeal Panel. The School Standards and Framework Act 1998 gives this right to all parents/carers whose application for a school has been unsuccessful. The decision of an Appeal Panel is binding on both the admissions authority and the Academy. The School Admissions Appeals Code can be found on the DfE website at: www.DfE.gov.uk.

Unsuccessful applicants may also contact School Admissions, North East Learning Trust by telephone 0191 5634190 Option 1 or email schooladmissions@nelt.co.uk to be advised of their right to an Independent Appeal Panel and/or request to be included on the waiting list.

The waiting list will be maintained until 31 December 2026.

NCEA Bishop's Primary School

The Northumberland Church of England Academy Trust is the Admissions Authority and follows the Northumberland County Council admissions procedures for admission to NCEA Bishop's C of E Primary School. The Trust will comply with the School Admissions Code issued by the Department for Education in September 2021.

Arrangements for applications for places at the school will be made in accordance with the Northumberland County Council's (NCC) coordinated admission arrangements and will be made on the Common Application Form (CAF) provided and administered by NCC.

The school has set the admission numbers (PAN) as follows:

Reception: 60 places.

The school: admits up to 60 pupils in the relevant year group.

Oversubscription Criteria

Where the number of applications for admission to the school is greater than the published admission number (PAN) for that year group, applications will be considered against the criteria set out below. The criteria will be applied in the order in which they are set out below:

Children with an Education, Health and Care Plan (EHCP) plan naming the school will always be offered places.

If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. This includes children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
2. **Children who already have a sibling at the school.** (N.B. This criterion does not include younger siblings who are or will be in the Nursery at the same time.)
3. **Children whose normal home address is in the catchment area of the school** and who can provide firm evidence that this will be the case on the appropriate admission date.
4. **Children on whose behalf evidence of exceptional medical need that make it essential their child attends the school is presented.** Evidence must be supported in a written statement by a professionally involved third party, for example, a doctor. Supporting evidence should be submitted at the time of application and should set out the particular reasons why the school provision is the most suitable provision and the difficulties that would be caused by the child attending an alternative provision.
5. **Children living outside the catchment area of the school.**

Tiebreaker

Within each of the above criteria, in the event that there is still an oversubscription after the criteria above have been applied and a tiebreaker is required, then the child living closest to the school will be admitted. Distance will be measured in a straight line from the front door of the child's home to the front gate/main entrance of the school. Random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified.

Multiple Births

In cases where there is one place available, and the next child on the list is a twin, triplet, etc., we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number for Reception or the number of places in other year groups in the relevant admission year.

Waiting Lists

Unsuccessful applications for a place at NCEA Bishop's C of E Primary School will, if requested, be placed on our waiting list. This list is ranked according to the same criteria as those used for admissions to the relevant age group. When a child is added to the list, the list will be ranked again in line with the published oversubscription criteria detailed above. Parents should notify the school that they wish to be held on this list and will be contacted directly a place is available. Waiting Lists will be maintained until 31 December in the admission year.

Appeals

Parents may appeal against the decision not to offer a place and must do so in writing to the Local Governing Body within 14 days of being notified that they have not been offered a place at NCEA Bishop's C of E Primary School. An independent appeal panel will hear the appeal. A copy of the appeals procedure is available from NCEA Bishop's C of E Primary School or by emailing admin.bps@ncea.org.uk

NCEA Grace Darling C of E Primary School

The Northumberland Church of England Academy Trust is the Admissions Authority and follows the Northumberland County Council admissions procedures for admission to NCEA Grace Darling C of E Primary School. The Trust will comply with the School Admissions Code issued by the Department for Education in September 2021.

Arrangements for applications for places at the school will be made in accordance with the Northumberland County Council's (NCC) coordinated admission arrangements and will be made on the Common Application Form (CAF) provided and administered by NCC.

The school has set the admission numbers (PAN) as follows:

Reception: 70 places.

The school: admits up to 70 pupils in the relevant year group.

Oversubscription Criteria

Where the number of applications for admission to the school is greater than the published admission number (PAN) for that year group, applications will be considered against the criteria set out below. The criteria will be applied in the order in which they are set out below:

Children with an Education, Health and Care Plan (EHCP) plan naming the school will always be offered places.

If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. This includes children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
2. **Children who already have a sibling at the school** and are living within the catchment area and who can provide firm evidence that this will be the case on the appropriate admissions date.
3. **Children whose normal home address is in the catchment area of the school** and who can provide firm evidence that this will be the case on the appropriate admission date.
4. **Children on whose behalf evidence of exceptional medical need that make it essential their child attends the school is presented.** Evidence must be supported in a written statement by a professionally involved third party, for example, a doctor. Supporting evidence should be submitted at the time of application and should set out the particular reasons why the school provision is the most suitable provision and the difficulties that would be caused by the child attending an alternative provision.
5. **Children living outside the catchment area of the school.**

Tie Breaker

Within each of the above criteria, in the event that there is still an oversubscription after the criteria above have been applied and a tiebreaker is required, then the child living closest to the school will be admitted. Distance will be measured in a straight line from the front door of the child's home to the front gate/main entrance of the school. NCEA Harry Hotspur C of E Primary School

At NCEA Harry Hotspur CE Primary school we have provision for pupils aged from two to eleven. Northumberland Church of England Academy Trust are the Admissions Authority for NCEA Harry Hotspur CE Primary. The school is open to receive applications for admissions from the parents of all children.

NCEA Harry Hotspur CE C of E Primary School may admit up to **30 pupils** to the reception year group in 2026/27.

Please note that if your child currently attends our Early Years Unit this does not automatically guarantee a place in our Reception class.

If the school is oversubscribed, after the admission of pupils with a Statement of Special Educational Needs or Education, Health and Care Plan where the school is named in the Statement or Plan, priority for admission will be given to those children who meet the criteria set out below, in order:

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted
2. Children who have special medical needs or other special circumstances that make it essential that their child attends this school rather than any other, (supported by appropriate written evidence from the professional person involved with the family).
3. Children with a at the school at the time when they would be admitted to the school.
4. Children whose normal home address is in the Parish of St Michael and St Paul Alnwick.
5. Other children.

Tie Breaker

Where places are available for some but not all applicants within in a particular criterion proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 7 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

The school office will maintain a waiting list of applicants until 31st December of each school year of admission. In the event of a place becoming available in the appropriate class during the year and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply. Each added child will require the list to be ranked again in line with the published oversubscription criteria.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address.

As part of NCEA Trust we have delegated responsibility of the admissions appeals process to Northumberland County Council.

NCEA Warkworth C of E Primary School

NCEA Warkworth Church of England Primary School may admit up to 30 pupils to the Reception year group in 2025/26. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

The school values highly its Christian ethos, its close links with its local church, St Lawrence's, and the Diocese of Newcastle. We provide a distinctively Christian, yet inclusive, environment in which each child is motivated to acquire skills for life and a love of learning. As a church school, we welcome applications from Christian families, and those of other faiths or none. We ask all parents applying for a place at our school to respect this ethos and its importance to the whole school community.

Please note that if your child does currently attend our Early Years Unit this does not automatically guarantee a place in our Reception class.

If the school is oversubscribed, after the admission of pupils with a Statement of Special Educational Needs or Education, Health and Care Plan where the school is named in the Statement or Plan, priority for admission will be given to those children who meet the criteria set out below, in order:

1. **Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.

3. **Children with a sibling** at the school at the time when they would be admitted to the school.
4. **Children of parents worshipping at the Parish Church of St Lawrence**
5. **Children whose normal home address is in the Parish of Warkworth and Acklington.**
6. **Children of parents worshipping in another Christian Church** (other churches of the Christian tradition within the catchment area e.g. URC, RC & Methodist) who wish their child to attend this school because of its Christian foundation.
7. **Other children.**

Tie Breaker

Where places are available for some but not all applicants within in a particular criterion proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 8 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. Each added child will require the list to be ranked again in line with the published oversubscription criteria. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address.

Pele Trust Admissions Policy

The Board of Directors of Pele Trust is the Admission Authority and is obliged to admit all applicants to a particular school within Pele Trust provided these do not exceed the school's Published Admission Number.

The Published Admission Number of each school is:

Belsay: 15
Darras Hall: 60
Heddon St. Andrews: 30
Ponteland Primary: 60
Richard Coates: 30
Ponteland High School: 240 (Year 7 entry)

Oversubscription: primary school admission applications

The Pele Trust welcomes applications from all students and we are obliged to admit all students provided our Published Admission Number (PAN) for each school is not exceeded. However, where there are places for some, but not all applicants, priority is given in accordance with the oversubscription criteria set out below.

Oversubscription criteria (Pele Trust primary schools)

Applicable to Belsay Primary; Darras Hall Primary; Heddon St. Andrews Primary; Ponteland Primary; Richard Coates CE School

1. Looked After Children

a. Children in Public Care (and as deemed under Section 22 of the Children Act 1989) including a child who was previously "looked after" but immediately after being "looked after" became subject to an adoption, residence, or special guardianship order. Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Note: A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

5. Catchment area

a. Children living within the catchment area of the school (as defined by Pele Trust and available on the Northumberland County Council's 'school catchment area digital maps')

NB: Guidance on accessing the digital maps can be accessed [here](#).

3. Exceptional medical or social need

a. Students on whose behalf evidence of exceptional medical or exceptional social need is presented. For example, where one or both parents of the child have a disability that may make travel to a school that is further away difficult. Evidence must be supported by a written statement by a professionally involved third party, such as a doctor or a social worker

4. Siblings

a. Students who have an older brother or sister who already attends the same Pele Trust school and who is expected to be on roll at the school at the time of admission. [For the purpose of admission, siblings are deemed to be brothers and sisters, step brothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.]

5. **Children of staff employed within the Pele Trust primary school applied for**
- a. Children of staff employed within the Pele Trust school applied for where the member of staff has worked in that school for two or more years at the time at which the application for admission is made and/or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage
6. **Faith consideration (Richard Coates CE School only)**
- a. Children whose parents are committed members of the Church of England, or any other Christian Church, and who regularly and frequently attend.
- NB: Regularly and frequently is defined as attendance at least once per month over the last twelve months immediately prior to the admission application deadline; it is sufficient for just one parent/carer to attend. Acceptable evidence would be a letter from the relevant minister/vicar attesting to regular attendance as outlined above
7. **Distance**
- a. Distance from the front door of the child's home to the main gate of the school will be the deciding factor with preference being given to those whose home address is nearest to the school as measured in a straight line ('as the crow flies'). The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement. This will be based on the child's address
- b. Where the last place to be allocated would mean that a multiple birth sibling group, i.e. twins, triplets, or other multiple birth sibling groups would be split, the sibling will be accepted as an excepted pupil. Otherwise, if only one final place can be offered, and two applicants live equidistant from the Academy, the LA's system of random allocation will apply as a tie-breaker

Waiting lists/appeals

Each school within Pele Trust will maintain a waiting list for the transfer year group, i.e. Reception and Y7. Positions on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Ellingham Church of England Aided Primary School

The governing body of Ellingham Church of England Primary School is the Admissions Authority for the school and they intend to admit up to **15 pupils** to the reception year group in September 2026. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area. The Governing Body have made every effort to ensure that these arrangements comply.

Children with an Education, Health and Care (EHC) plan naming Ellingham C of E Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

Over-subscription Criteria

- Looked after Children and children who were previously looked after, but cease to be so because immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. including children previously in state care outside of England who have ceased to be in that state care as a result of being adopted.
- Children of parents/carers worshipping regularly and frequently at the Parish Churches of Ellingham, Lucker and South Charlton (Regularly and frequently is defined as attendance at least once per month over the last 12 months. It is sufficient for just one parent to attend.)
- Children with a brother or sister at the school at the time when they would be admitted to the school.
- Children who live in the Parish(es) of Ellingham, Lucker and South Charlton
- Children of parents worshipping (regularly and frequently as defined above) in another place of worship who wish their child to attend this school because of its Christian foundation.
- Children who have special medical needs or other special circumstances, (supported by medical/professional opinion)
- Other children.

Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

The school will maintain a waiting list of applicants until 31st December. The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. Each added child will require the list to be ranked again in line with the published oversubscription criteria. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

Appeals

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

Embleton Vincent Edwards Voluntary Aided Church of England School

The governing body of Embleton Vincent Edwards Voluntary Aided Church of England School is the admissions authority for the school and they intend to admit up to 12 pupils to the reception year group each September. The maximum number for each year group from Year 1 to Year 6 is 12.

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming Embleton Vincent Edwards C of E Primary School will always be offered places. After the priority children have been given a place, and in the event of the number of applications exceeding the number of places available, further priority will be given to applications in the order indicated below.

Over-subscription Criteria

The maximum for each year group is 12 children. However, this can be exceeded if there is space within the school to do so. Transfers made during the school year will be done so on a first-come first-served basis with places given in order of the date and time of the emails received requesting a place from the transfer team at the LA.

Oversubscription for entry into the school in Reception is in accordance with the following criteria:

1. **Looked-after children, children who were previously looked after and children adopted from state care overseas.**
2. **Children who have exceptional medical or social needs** that make it essential that their child attends Embleton Vincent Edwards Primary School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
3. **Children with a sibling at the school** at the time they would be admitted to the school.
4. **Children who live within the school's catchment area**, as defined by the Local Authority
5. **Other children.**

Tie Breaker

Where there are places available for some, but not all, applicants within a particular criterion, distance from the home address to the school entrance will be the deciding factor. Distance will be measured in a straight line (as the crow flies) from the front door of the child's address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Waiting List

Waiting List The school office will maintain a waiting list of applicants. In the event of a place becoming available in the appropriate class during this time and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply. Waiting lists will be maintained until 31 Dec, before individuals are recontacted to see if they want to carry forward into the next year.

Appeals

Appeals If you would like to appeal a decision made regarding admissions, please write to the Chair of Governors at Embleton VE Primary School. Appeals will be heard by the Appeals Body.

Ponteland Community Primary School/Ponteland Academy

The Academy operates alongside Northumberland Local Authority and the National Guidelines on Admissions and Appeals, although Ponteland Academy [and not the local authority] is the Admission Authority for entrance into the Academy.

Places are offered to prospective primary pupils from Reception to Year 6, at the same time as places are allocated within all other Northumberland schools. This is coordinated between the academy and the Local Authority. All queries and appeals are handled by the Local Authority. The Published Admissions Number for Reception is 30. Applications for admissions are to be made directly to Northumberland County Council on the appropriate Common Application Form. The school completes a supplementary information form with the parent. Nursery applications are made directly to the school.

Oversubscription criteria

After the admission of pupils with Statements of Special Educational Needs or Education, Health and Care [EHC] plan for whom PCPS/Ponteland Academy is named on the statement entry will be allocated in the following order of priority:

- Looked After Children [in public care] and previously looked After Children
- Children on whose behalf written evidence of exceptional medical or social need is presented, such as evidence being supplied by a professionally involved third party and must set the particular reasons why the Academy is the most suitable school.
- Children of staff where the member of staff is employed at the Academy and filling in a post for which there is a demonstrable skill shortage.
- Children who have a sibling[s] who will be in Reception to Year 6 on the Academy roll at the time of admission. [Siblings are recognised as brothers, sisters, half-brothers, half-sisters, step-brothers, stepsisters who reside permanently in the same household. Where applications are received for twins, triplets or same-year siblings, the following procedure will be followed. If one child is selected for a place the twin/triplet/same-year sibling will automatically be selected. If school places are oversubscribed the family name will be entered into the list because when one child is allocated a place it automatically secures a place for the other child[ren].
- Children resident in the greater catchment area for the Ponteland schools, for whom there is a geographical pathway.
- Children, on the basis of the closeness of their home's front door to the front gate of the Academy.

Waiting List

In addition to the right to appeal, unsuccessful applicants will be offered an opportunity to be placed on the waiting list. Vacancies will be offered in the first instance to applicants on this list. In the event of multiple children on the waiting list, the order will be in accordance with the admissions criteria.

Appeals

Parents whose applications for places are unsuccessful may appeal to an NCC Independent Appeal Panel set up in accordance with NCC regulations.

Adderlane Academy

The Trust Board of WISE Academies will be the Admission Authority for this academy. This means that a committee with delegated powers considers applications sent to them by the Local Authority, according to the criteria as stated below. This policy has been agreed following consultation between the Board of Trustees, all other Admissions Authorities in the area and interested parties and parents. This policy gives regard to the "School Standards and Framework Act 1998, as amended by the Education Act 2011," "School Admissions (Admission Arrangements and Coordination of Admissions Arrangements (England) Regulations 2012" and "School Admission Code 2021".

The Published Admission Number (PAN) for this Academy is 30. The admission criteria within this policy is applied if the number of applications exceeds the number of places.

Oversubscription criteria

If the academy is oversubscribed (i.e., where the number of applications for admission exceeds the number of places available) the committee of the Trust Board of WISE Academies, as the admissions authority will apply the following criteria in the order set out below:

Children who have an Education, Health and Care (EHC) plan where the academy is named as the most appropriate educational setting for the child will be admitted.

1. **Looked after children.** A 'Looked-after' child who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order – a child that is looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
2. **Siblings.** Children who have a sibling attending Adderlane Academy at the time of their application. Sibling refers to a brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister or foster brother or sister. The child of the parent/carer's partner is also classed as a sibling if the child for whom the place is sought is living in the same family unit at the same address as that sibling.
3. **Exceptional medical or psychological reasons.** Parents must include a medical or psychological report, prepared by a professional, to confirm information that parent includes in this section. This report should explain why only this academy could meet the child's medical or psychological needs.
4. **Feeder School.** Children who attend the Nursery Class of Adderlane Academy in the previous academic year to that of their application.
5. **Neighbourhood Places.** Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the Local Authority's EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the academy determined by the shortest distance (as described in the preceding paragraph).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the academy.

Waiting lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list via the academy office. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. If any vacancies arise, places will be offered from the waiting list. The waiting list will be in place until 31 December each year, in case any vacancies arise.

Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the academy's waiting list does not mean that a place will eventually become available.

Appeals

Parents will have the right to an independent appeals panel if they are dissatisfied with the outcome of their admission application. Appeals will be carried out in accordance with the Admission Appeals Code. Any decision of the independent appeals panel will be binding on all parties.

Appeals should be directed to
The Secretary to the Trust,
WISE Academies Head Office,
Borodin Avenue,
Sunderland
SR5 4NX
or governance@wiseacademies.co.uk.

The Trust Board of WISE Academies will be the Admission Authority for this academy. The Published Admission Number (PAN) for this Academy is 60.

Reception applications must be made on the Common Application Form (available from the Local Authority) by the determined closing date and an offer will be made by the Local Authority on behalf of the school on the National Offer date. Applications received after the closing date will only be considered after all those received by the closing date have been considered. Parents should provide supplemental evidence in support of the application where applicable. The Local Authority undertakes the co-ordination of admission arrangements

Admission Criteria

If the academy is oversubscribed (i.e. where the number of applications for admission exceeds the number of places available) the committee of the Trust Board of WISE Academies, as the admissions authority will apply the following criteria in the order set out below:

Children with an Education, Health and Care plan

Children who have an Education, Health and Care (EHC) plan where the academy is named as the most appropriate educational setting for the child will be admitted

Looked after children

A 'Looked-after' child who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order – a child that is looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Siblings

Children who have a sibling attending Croftway Academy at the time of their application. Sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or foster brother or sister. The child of the parent/carer's partner is also classed as a sibling if the child for whom the place is sought is living in the same family unit at the same address as that sibling.

Exceptional medical or psychological reasons

Parents must include a medical or psychological report, prepared by a professional, to confirm information that parent includes in this section. This report should explain why only this academy could meet the child's medical or psychological needs. Common childhood medical conditions such as asthma or giving a child's nervousness at starting new school as a psychological reason for choosing a particular school are unlikely to be accepted as exceptional. It will be for the committee of the Trust Board responsible for admissions to determine whether the evidence is acceptable under this criteria.

Feeder School

Children who attend the Nursery Class of Croftway Academy Academy in the previous academic year to that of their application.

Neighbourhood Places

Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the Local Authority's EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.

Tie Breaker

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and

supervised by a person independent of the academy.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list via the academy office. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. If any vacancies arise, places will be offered from the waiting list. The waiting list will be in place until 31st December each year, in case any vacancies arise

Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the academy's waiting list does not mean that a place will eventually become available.

Right of Appeal

Parents will have the right to an independent appeals panel if they are dissatisfied with the outcome of their admission application. Appeals will be carried out in accordance with the Admission Appeals Code. Any decision of the independent appeals panel will be binding on all parties. Appeals should be directed to The Secretary to the Trust, WISE Academies Head Office, Borodin Avenue, Sunderland SR5 4NX or governance@wiseacademies.co.uk

If the academy is oversubscribed (i.e., where the number of applications for admission exceeds the number of places available) the committee of the Trust Board of WISE Academies, as the admissions authority will apply the following criteria in the order set out below:

Children who have an Education, Health and Care (EHC) plan where the academy is named as the most appropriate educational setting for the child will be admitted.

2. **Looked after children.** A 'Looked-after' child who was previously looked after but immediately after being looked after became subject to an adoption, residency/child arrangement or special guardianship order – a child that is looked-after' by a Local Authority in accordance with Section 22(1) of the Children's Act 1989 and a child who was looked after, but ceased to be so, because of adoption (or become subject to a child arrangements order, residence order or special guardianship order) and a 'Looked-after' child who appears to the Admission Authority to have been in state care outside of England and ceased to be in state care as result of being adopted – a child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
3. **Siblings.** Children who have a sibling attending Shaftoe Trust Academy at the time of their application. Sibling refers to a brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister or foster brother or sister. The child of the parent/carer's partner is also classed as a sibling if the child for whom the place is sought is living in the same family unit at the same address as that sibling.
4. **Exceptional medical or psychological reasons.** Parents must include a medical or psychological report, prepared by a professional, to confirm information that parent includes in this section. This report should explain why only this academy could meet the child's medical or psychological needs.
5. **Feeder School.** Children who attend the Nursery Class of Shaftoe Trust Academy in the previous academic year to that of their application.
6. **Neighbourhood Places.** Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the Local Authority's EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the academy determined by the shortest distance (as described in the preceding paragraph).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the academy.

Waiting lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list via the academy office. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. If any vacancies arise, places will be offered from the waiting list. The waiting list will be in place until 31st December each year, in case any vacancies arise.

Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the academy's waiting list does not mean that a place will eventually become available.

Appeals

Parents will have the right to an independent appeals panel if they are dissatisfied with the outcome of their admission application. Appeals will be carried out in accordance with the Admission Appeals Code. Any decision of the independent appeals panel will be binding on all parties.

Appeals should be directed to
The Secretary to the Trust,
WISE Academies Head Office,
Borodin Avenue,
Sunderland
SR5 4NX
or governance@wiseacademies.co.uk.

Schools Providing Early Years Childcare

Parents/carers of two-year-olds who meet a range of criteria are entitled to the same amount of free high-quality early years education or childcare, from the term after a child's second birthday until the end of the term in which they are three.

All three and four-year-olds are entitled to 15 hours free high-quality early education, starting in the term after a child's third birthday until compulsory school age. Eligible working families will be able to claim an additional 15 hours free childcare per week, taking their entitlement to 30 hours free childcare a week for 38 weeks of the year. More information about which establishments provide the free early years education and how to apply can be found using the link below:

NATIONAL OFFERS DAY 16 APRIL 2026

We value your opinion, and we would like you to tell us what you think about this Admissions Handbook. To help us to improve this service, we have placed a School Admissions Quality Survey Form for you to complete on the School Admissions page on the County Council website at:

School Admissions Website

You can complete the form electronically, and e-mail it to schooladmissions@northumberland.gov.uk or print and return the form either with your Application Form or separately to:
